Gazetted posts created, filled up and available vacancies from November 1947 up to date.

*Q.—**178.** Janab MOHAMED VALIULLA (Kolar—Muslim).—

Will the Government be pleased to state:—

(*a*) the number of gazetted posts created and filled up and also the available vacancies filled up from 1st November 1947 to date;

(*b*) the name, caste, designation and pay of each of these officers so appointed in the gazetted cadre during the above period;

(*c*) the name, designation, caste and pay of each of these officers prior to his appointment as a gazetted officer in the above period;

(*d*) the name, designation, caste and pay of such officers who were in the gazetted cadre (both temporary and permanent officers) prior to October 1947 but who are now working in the non-gazetted cadre?

A.—The Hon'ble Sri K. CHENGALARAYA REDDY (Chief Minister).—

(*a*), (*b*), (*c*) and (*d*) It is impracticable within the time available to compile and furnish the particulars required. The time and cost involved in making a separate compilation of this sort would be out of all proportion to the information sought. The Hon'ble Member is invited to refer to printed publications like the Civil List and the History of Gazetted Officers to obtain the information he has in view.

Scholarships for study in Aligarh and Benares Colleges.

*Q.—**180.** Janab MOHAMED VALIULLA (Kolar—Muslim).—

Will the Government be pleased to state:—

(*a*) the year in which scholarships for study in Aligarh and Benares Colleges were sanctioned;

(*b*) whether any of these scholarships have been discontinued ;

(*c*) if the answer is in the affirmative, which are the scholarships so discontinued and from what date ?

A.—**The Hon'ble Sri K. CHENGALARAYA REDDY** (Chief Minister).—

(*a*) Scholarships for study in Aligarh College were sanctioned in the year 1910. But no scholarships for study in the Benares College as such were sanctioned at any time.

(*b*) Yes.

(*c*) The Aligarh scholarships were discontinued from the year 1950-51, but the scheme of deputation of graduates for higher studies in Indian Universities is still in force.

Licence holders in Cloth and Yarn.

*Q.—181. **Janab MOHAMED VALIULLA** (Kolar—Muslim).—

Will the Government be pleased to state :—

(*a*) the names and castes of such of the licence holders in cloth and yarn for the year 1950 that were not holding any licence for cloth and yarn prior to 1947 ;

(*b*) in case there are new licences, the reasons for grant of such licences (each case to be given separately) ;

(*c*) the quota of cloth and yarn, both usual and special, granted to every one of these new licence holders (usual and special quotas to be shown separately) for the year 1950 ?

A.—**The Hon'ble Sri T. MARIAPPA** (Home Minister).—

(*a*) The names of retail licensees are not furnished as the number is very large. There are about 10,000 retail licensees in all, of whom about 5,000 were not holding licenses prior to 1947. Particulars regarding castes of licensees are not available. A copy of statement is appended below.

(*b*) In view of the very large number of new licensees, it is not possible to furnish reasons individually. It may be stated generally that prior to recontrol, the wholesale dealers were primarily centred in cities such as Bangalore, Mysore and Davangere and the grant of retail licenses was confined to those who carried on business during the basic period (1940, 1941, 1942). On a careful examination of this system of granting licenses in the State, it was found necessary and desirable in the best interests of the consumers to relax the previous system and to grant wholesale and retail licenses on a liberal basis to new applicants and Multipurpose Co-operative Societies consistent with the needs of each area of the State.

(*c*) In view of the large number of new licensees, it is not possible to furnish information as to the quota allowed to each licensee.
